

# How to Access Blackboard Through my.utpa.edu

Beginning Spring 2011, faculty and students will be able to access Blackboard through the myUTPA portal. Users with UTPA accounts can still access Blackboard through the COLTT website or by going to <http://onlinelearning.utpa.edu>. They will be redirected to <http://my.utpa.edu> once they click on the login link.

The Division of Information Technology has simplified the online experience for students, faculty and staff by implementing a one stop sign in page where you can access all of your UTPA online resources. By signing into **my.utpa.edu**, you can access resources such as Blackboard, ASSIST, Email, Tegrity lecture recordings, or Oracle 24/7

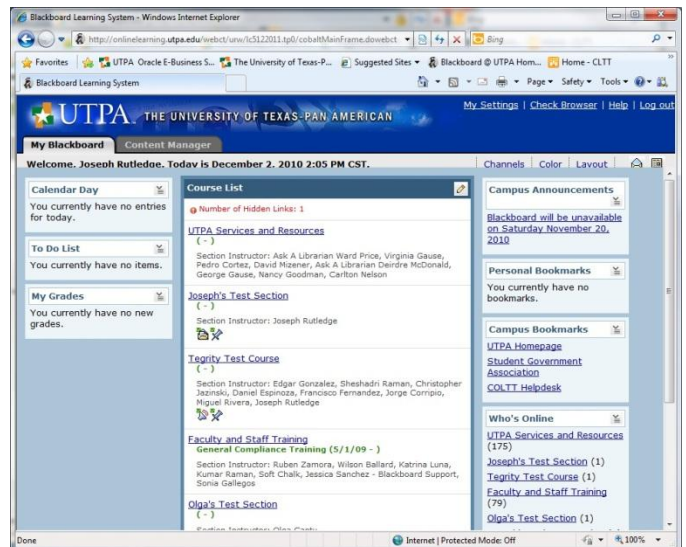

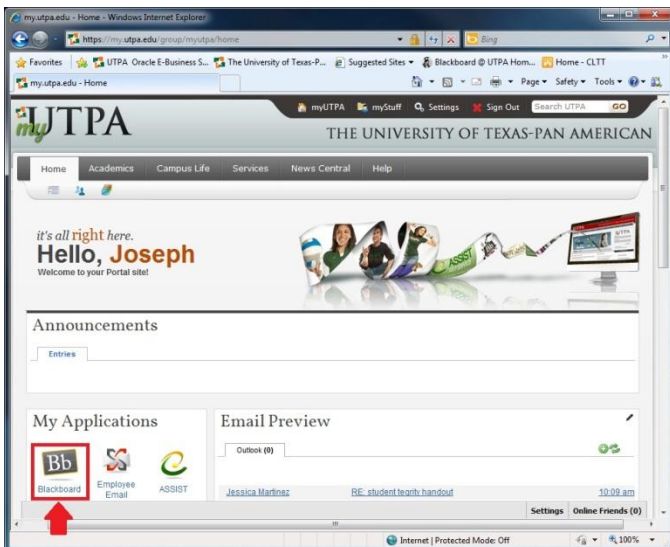

1.) From the UTPA webpage <http://utpa.edu>, click on **myUTPA** at the top of the page.

2.) Log in with your UT Pan American username and password on the right side of the page.

3.) Click on the Blackboard icon on the left side of the page.

4.) A new window will open. You will be logged into Blackboard and will see your My Blackboard page.

5.) Be sure to log out from both, Blackboard and myUTPA once you are done.
